ACCOMMODATIONS A WATERFRONT EXPERIENCE

Where you sleep is about more than just where you lay your head. And at Grand Bay, we're all about blending the necessities with the unexpected: Of course, every room and suite comes standard with WiFi Internet, desks, LED TVs, bathroom amenities, and Keurig® coffee machines. But of course, it's about more than that.

It's special touches, like tranquil views from every guest room of our lagoon's waterfront, charming Silicon Valley, or the nearby mountains. It's sinking in to soft feather pillows. It's calming décor palettes with pops of color. It's separate working and sitting areas (in select suites). It's the signature Grand Bay experience.

DINING MORE THAN A MEAL

Step into our award-winning Scroll Waterside Kitchen and indulge in fresh, local and inspired California cuisine: indoor and outdoor dining, contemporary flavors, creative preparations, and ingredients sourced from local, organic and small farms & ranches – most, within 150 miles of our hotel. And, don't forget to order a creative cocktail, after-dinner aperitif, or evening nightcap at our own Scroll Bar.
